

TO OUR FAMILY AND
FRIENDS EVERYWHERE

HAPPY
CHINESE
NEW YEAR!

Wishing you a New Year blessed with good
fortune and filled with laughter to stay always!

Dear friends

My name is 黃寶霆, I am from Kaohsiung Taiwan.
Taiwan is in Asia, and Taiwan is an island, but
there are lots of kinds of animals and high
mountains in Taiwan. For example, we have
Formosa Black Bear.

About Chinese New Year

Chinese New Year is coming, and we have many traditions for Chinese New Year in Taiwan. For example, we make homemade dumplings go shopping for new clothes and clean the house ,And we eat dumplings because in the old time the shape of money is the same as dumplings.

About Chinese Zodiac

Do you know Chinese Zodiac? Let me tell you a story. Long long time ago, Jade Emperor wanted to have a race for animals. The cat and the rat were friends before this race, so the cat asked the rat to wake him forget to cross the ox for help, and the rat asked the ox for help, and the rat jumped to the finish line. It won the first place, but after this race, cat and rat hated each other.

wishes

Welcome to Taiwan, and Taiwan has many interesting place to play and eat yummy food.

Brian Huang
